WAILUKUS WIN MATCH

VERY CLOSELY CONTESTED

POLO ON ISLAND ON MAUI

Imported Horses Used By Winners
---Another Game Last Saturday---Player Meets With Accident.

Wailuku, May 10.—The match game of polo between picked teams from Makawao and Wailuku, played at Sunnyside, Paia, near Maunaloa seminary, last Saturday afternoon, May 3, was won by the latter team. It rained considerably all day and it was thought that the game would not come off. In fact, many who had planned to witness the game gave up the idea. However, the members from Wailuku and Spreckelsville went up in the drizzling rain, for polo was uppermost in their minds, and neither rain nor thunder and lightning was going to prevent them in participating in the great event, the first of a real series of match games between Wailuku and Makawao. The make-up of the teams was as follows:

Makawao—H. A. Baldwin, G. W. Wilber, S. E. Kalama and L. von Tempel. Wailuku—F. Baldwin, J. Thompson, L. R. Crook and W. H. Cornwell Jr.

The first two named were from Camp 5, Pounene. In justice to the Makawao team it should be stated that Messrs. F. Baldwin and Crook of the victorious team were old members of the Makawao team whose names are still on the roll of honor of that club.

The game was started at 4:30 o'clock and the rain which had been falling intermittently, all day, cleared off and for one hour and a half, the players on either side played one of the best and fastest games ever seen on Maui. The Wailuku team was supplied with educated polo ponies, recently imported from the Coast for Frank Baldwin, and it was due to this and also to the dash displayed by the winning team, that the day was won.

The Makawao team did good team work and were greatly applauded for the fine fight they put up to prevent Wailuku from earning goals.

D. C. Lindsay was both umpire and time keeper. There were but few spectators present to witness the game, owing to the wet weather. Mrs. Frank Baldwin of Spreckelsville, was among those present, and it is claimed that her presence had something to do with the victory won by Wailuku.

The score was Wailuku, 3; Makawao, 2. Another game between the same teams will be played on the same grounds next Saturday afternoon. Next week, the game will be played at the Kahului grounds.

At a practice game of polo at Wells' park, Wailuku, Thursday afternoon, L. R. Crook had the misfortune of having his right arm below the elbow struck by a mallet wielded by W. H. Cornwell Jr. Luckily, no bone was broken, but the accident will prevent Mr. Crook from participating in today's game, a fact which is greatly to be deplored, for he is one of the most dashing players on the Wailuku team.

There is no Family Medicine so favorably known as PAIN-KILLER. For sixty years it has been used by Missionaries in all parts of the world, not only to counteract the climatic influences on their families, but for the cure of all diseases of the bowels, and for wounds, burns, bruises, etc. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c and 50c.

MR. ROBERT FITZSIMMONS.

Some humorist has suggested that a new cabinet position be created, that of secretary of physical culture, and that the Hon. Robert Fitzsimmons be asked to accept the portfolio. Fitz is just now preparing to meet James Jeffries in a twenty round argument, during which he will try to regain the heavyweight championship. The match occurs May 15 in San Francisco.

HEIRESS CHASER PRINCE OF AUSTRIA IN TROUBLE

New York, April 27.—A cable to the World from Vienna says: The imperial court of Austria is in a turmoil because some years ago Prince Leopold of Isenburg failed to marry Consuelo Vanderbilt and thereby acquire enough money to pay his father's debts. The matter leaked out at the trial of a suit brought by the estate of the late Law-son Umlauf against Archduke Francis Salvator to recover \$15,000 lent to Prince Isenburg under his imperial highness' guarantee.

It appears that the Isenburgs were mortgaged up to their ears when young Prince Leopold started for America with borrowed money to attack the hearts of American heiresses, notably that of Consuelo Vanderbilt, who was singled out as the richest pum in the bunch. In order to pay his traveling expenses the elder Prince Isenburg borrowed nearly \$60,000 on his estates.

In this crisis Isenburg senior persuaded a Hungarian gentleman named Umlauf to loan him the \$15,000 now sued for, but Umlauf insisted upon a guarantee by Isenburg's imperial relatives. This guarantee was finally obtained from Archduke Francis Salvator, a nephew of the Princess of Isenburg. Francis, it appears, wrote Umlauf a letter setting forth that he, the Archduke, would repay the loan if his uncle did not. As it turned out, Isenburg did not, for it was against the old man's principle to pay anybody or anything.

The Socialists are determined to force the Minister of Justice to answer the complaint of the defrauded family in public, and if there was a conspiracy between the imperial Archduke and the heiress-hunting bankrupt prince to fleece a confiding man, that conspiracy will have to be laid bare. All Vienna is on tiptoe in expectation, for it is expected that the Socialists will bring about such a airing of imperial solid lines as never before was sounded in the breeze of public opinion.

600 LOVE LETTERS

New York, April 29.—When Mrs. Katherine Ballou's victoria came up Fifth avenue yesterday Mrs. Ballou, who is a wealthy young woman, stopped and sent the footman to the curb. The footman pointed out a man and the police grabbed him, hustled him into a cab and locked him up. The prisoner is Frederick C. Zimmerman, who describes himself as an inventor. He admitted that he had written more than 600 love letters to Mrs. Ballou. He says he fell in love with her in the street, seeing her drive by.

Mrs. Ballou says he has been annoying her for two years by writing letters, sending flowers and candy, and later by calling at her home and insisting on seeing her. She believes that he is mad, and she was afraid he might shoot her. She drove to the station after the arrest and told Captain Delaney that one of Zimmerman's letters spoke of things at his home which he was going to send her through the mails. She feared he might mean an infernal machine. Detectives went to Zimmerman's office and there took possession of his effects, which will be examined tomorrow.

SHIPMENT TO MANILA

HONOLULU IRON WORKS

SENDING LARGE ORDER

Material for Gamewell Alarm System
---Probable Expectation of Orders for Sugar Mills in Future.

Honolulu is going to take a hand in the game of commerce with the Philippines, which is facilitated by the direct communications inaugurated by the trans-Pacific lines. The Honolulu Iron Works will ship by the Nippon Maru on Friday next between thirty and forty tons of manufactured material to Manila. It is the pole brackets and fittings of the Gamewell fire and police telegraph alarm system for the capital of the Philippine Islands. The Gamewell people found they could do as well with the Honolulu establishment as with any Mainland concern, besides saving distance of transportation.

Most probably after Mr. Hedemann returns from his tour around the world, including a look into the sugar industry of the Philippines, the Honolulu Iron Works will play an important part in supplying modern sugar house machinery to our Oriental possessions.

BLANCHE BATES HAS OVATION IN NEW YORK

New York, April 27.—Blanche Bates closed last night one of the most remarkable runs ever scored by a theatrical star in New York. Last evening's performance brought her total appearances in "Under Two Flags" to 306, and there was an ovation from the large audience and from all the members of the company when the curtain fell on the final act.

Miss Bates never played with greater delicacy or stronger effect than last night, and as all her associate players seemed to fall readily into the spirit of the event, the performance was in many ways, perhaps the most remarkable she has yet given as Cigarette.

David Belasco was present, but could not be prevailed upon to make a speech. When he was asked concerning the future plans for his star, he replied that Miss Bates would not again be seen in this city until her appearance in a new play he is now writing for her. He added that the production of the new play would take place at the Belasco Theater Republic, following Mrs. Leslie Carter in "Du Barry," which attraction will open the new theater early in September. Miss Bates and her company will go on the road for four weeks, after which Belasco's star will rest for the summer.

DE WET IS READY TO CALL IT QUITS

Pretoria, May 1.—Boer meetings continue to be held, chiefly in the Transvaal, to receive the leaders' explanations of the British terms. It is understood that the heated discussions which have occurred, have usually shown the majority to be in favor of peace.

It is said that about 200 Boer delegates will attend the conference to be held at Vereenigen, Transvaal colony, on May 15th, and that all sections of the burghers will be thoroughly represented there. It is expected that a vote by ballot will be taken at this conference.

It is reported that General De Wet has frankly declared the British terms to be reasonable, and that it is advisable to accept them, while General Delarey is said to be ready to abide by the decision of the majority.

REMOVE MEAT TAX

New York, April 27.—The Central Federated Union today adopted resolutions calling upon the American Federation of Labor to assist in urging Congress to remove the tax on foreign meats until such time as the price of domestic meats is reduced. The resolutions in part follow:

"Resolved, That the Central Federated Union of Greater New York and vicinity asks the assistance of the American Federation of Labor in bringing pressure to bear on Congress to accomplish the passage of a bill withdrawing the taxes from foreign meats, and thus compel the beef trust to lower the prices of its meats, thereby putting an end to the suffering, ruin and misery now being caused by the beef trust's high prices."
